Actions (including staff training needs)	Key Personnel /Role	Time Scale	Success Criteria/Intended Outcomes	Progress
Increasing pupil participation in both curricular and extra-curricular activities				
Healthy School committee will play a role in helping to decide the clubs they would like to see being made available for the next academic year.	KL/CW	Autumn 2016	Representatives produce a list of sporting activities for KL and CW to discuss- local coaches will be employed to provide extra-curricular sporting opportunities. Children will be provided with a range of alternative sporting events.	Healthy school committee collected data from pupils to help decide on the provision made for 2016/17. Children have been provided with a range of activities including, football, cricket, running, general fitness, wheelchair basketball, athletics, self-defence, rugby.
Continue with Bike to school initiative.	KL/CW	Summer 2017	Amount of children taking part in bike to school week.	Bike to school day/ breakfast being held in summer term 2. KS1 cycle skill sessions Summer 2 and Y6 cycling proficiency in Autumn Term 1.
Continue to provide the children with incentives to join clubs.	Coordinated by KL	2016-17	More children joining clubs by the end of the year having a positive effect on attitudes towards children's health and well- being.	Good percentages of children attending clubs. Children's fitness has also been impacted by the new track; KS1 children will be running a mile a day from September in the hopes of improving overall fitness. In the final week of Summer 2 children will be provided with awards in the form of our annual raffle for joining clubs and participating in sporting events.
Lancaster and Heysham school sports network,	Coordinated by KL	2016-2017	To continue to ensure strong partnership with other schools and local partners providing additional sporting competitions and fixtures. Helping to ensure strong sustainable effective links with the Olympic legacy. To provide training for staff e.g. in developing the new curriculum enhancing quality of teaching and learning	Staff have received training this year to help enhance quality of teaching. KL also attended course on assessment to help develop assessment in P.E. and fed back to teachers in staff meeting. The partnership has ensured strong links between local partners and provided us with lots of sporting opportunities throughout the year.

Lancaster schools affiliation package with Chance to Shine (Kwik Cricket)	Coordinated by KL	2016-17	To continue to provide expert coaching for children with a view to increase pupil participation in competitions.	Chance to shine has provided both coaching sessions for children and staff training. It has also provided a number of competitions for pupils from Y4, 5 and 6.
Young leaders award	Coordinated by KL	Autumn 2017	Following the success of last year's Young Leaders award, pupils from Year 5 will undertake a young leaders award which will lead to them organising and running activities for the key stage 1 pupils at lunchtimes. This will have a positive impact on whole school improvement, including behaviour.	New young leaders will be appointed in Autumn Term 2 following training. They will help lead activities for children in KS1.
<b>Inclusive PE Curriculum...</b>				
Continue to work in partnership with Lancaster Bulldogs to help enhance children's awareness of inclusive sports.	KL,CW	2016-17	Children will maintain awareness of inclusive sports/ games.	Lancaster Bulldogs have continued to provide children with wheelchair basketball club to enhance children's awareness of inclusive sports.
<b>Sustainability.....</b>				
We are going to invest a large bulk of our budget this year in our school site, creating a large all weather running track around the perimeter of the school field. There are also plans for various OOA sites to be placed around the area. Our Healthy School Committee will play a role in the process.	KL, CW, AP, Pupils	2017-18	To enhance the children's experience and leave a lasting legacy to the school from the budget. We are also hoping to introduce a regular run to all pupils, helping to improve overall fitness.	The running track has been built with help from the PTFA as well. It is already having a positive impact on children's attitudes and we are hoping to see improved levels of fitness next year. KL, AP and the Healthy School teams are in discussions to create areas of OAA around the site, to be carried out in 2018.
Rounders and ball skills will once again be a focus for the summer term, children will have workshops to help target the necessary skills. This should benefit children in all areas of P.E.	KL and other Teaching staff.	Summer 2017	To enhance children's experience in both the subject and extra-curricular activities. To improve skills across the school and help more children access sporting activities.	Rounders and ball skills have once again been a focus for all classes in both KS1 and 2. Their lessons have been based on helping to improve these skills. Children have been assessed using a core task to help monitor progress.
Various workshops will be booked for both staff and children to extend opportunities for active sports	KL	2016-17	Amount of workshops/ outside initiatives bought in. KL to keep a record of expenditures for evidence + staff will be asked to take photographs throughout the year for evidence.	Staff have been to a number of different training workshops throughout the year, as have children including kwik cricket, cycle skills, rugby and orienteering.
Report ideas to parents-keeping them informed throughout the year via school website/ newsletter.	KL/CW/LF	2016-17	Parents will feel that they have been well informed throughout the year and support school aims.	Ideas/ information have been reported to parents via website and school newsletter.
Review the impact that the funding has had for the academic year 2015-2016	KL/CW	2016-17	Spending will have had a positive impact on each of the following areas: <ol style="list-style-type: none"> <li>1. participation rates,</li> <li>2. competitive sports,</li> <li>3. inclusion,</li> <li>4. links with other areas of the curriculum,</li> <li>5. partnerships with local schools</li> </ol>	We have had good participation rates this year and all children have been involved in level 1 competition. A large number of children have also represented us in level 2 competitions against other schools. P.E. has strong links with other areas of the curriculum, in particular Geography, and science. We have strong partnerships with local schools due to our affiliation with chance to shine, Lancaster and Heysham school sports network and Lancaster schools.
