

Action Plan for Sports Premium Budget -Area: PE 2013-14	Lead- KL
Current Situation/Critical Analysis	Aims
<p>This year we received a total of £5273</p> <p>Over the year we have been allocating the school sports premium where we identified it would be most beneficial. We have used it to help staff continue their professional development, create links with a greater number of schools (Lancaster and Heysham School Sports Network), provide a range of different extra-curricular activities and enhance children's awareness of inclusive sports.</p> <p>We have also purchased a range of equipment some of which will be used in the KS1 playground, helping to improve their hand/ eye coordination during playtimes and not just during P.E. lessons.</p>	<ol style="list-style-type: none"> 1. Continue to increase participation rates in activities such as dance, games, gymnastics, outdoor learning, and athletics 2. Keep links with Lancaster Bulldogs, providing children with an understanding of inclusive sports. 3. Following data collected from the children in Summer term 2014 invest in new exciting extra- curricular activities for the children. 4. Following improved links with other schools through Lancaster schools network and the Lancs and Heysham SSN, we will continue to improve provision of competitive sports for children in a range of activities. 5. Sustain links with wider curriculum, particularly social, spiritual, moral and cultural skills. 6. Use the new bespoke planning to deliver exciting dance lessons for the children. 7. Consult staff and decide upon the next area of the curriculum to focus on, potentially investing in more bespoke training for staff.

Inclusive PE Curriculum...				
Outside expertise to be brought in to raise children's awareness of living with a disability.	Coordinated by CW/KL	Autumn 2013	Children will have an increased awareness of inclusive sports/ games.	We have joined with Lancaster Bulldogs to provide the children with an extra-curricular club involving activities such as wheel chair basketball, blind football and blind obstacle courses. This has increased the children's awareness of inclusive sports. Every year group has had the opportunity to participate. In September Lancaster Bulldogs held a whole day event which every child in the school participated in and we are holding a similar day in July. A selection of children have also represented the school in an inter-school competition held by the School Sports Network.
