ST. WILFRID'S C OF E

# VALUES DIPLOMA AWARDS

## VALUES IN ACTION

**Our Values Diploma (VDip) is an internal award worked towards from Y1 –Y6. It creates opportunities for children to participate in and be recognized for wider achievements outside of those normally attracting commendation. These opportunities include social action and the programme raises the aspirations for all learners.**

Throughout their time at St. Wilfrid's, every child has the opportunity to gain BRONZE (Years 1 & 2), SILVER (Years 3 & 4) and GOLD (Years 5 & 6) Values Diploma Awards. These are designed to celebrate and consolidate the work the children do in their values-based education.

In order to achieve these, the children are required to undertake various tasks and consider the values they have demonstrated to complete them. This done, the children will then receive their award at the end of Years 2, 4 and 6.

The children in Years 5 & 6 are also able to 'upgrade' their award to a GOLD STAR award should they choose to.

This requires the children to complete individual tasks (out of curriculum time) and evidence their activities, reflecting on the values they have used.
