

<b>Review for Sports Premium 2020-2021 Budget -Area: PE</b>	<b>Lead- KL</b>
<b>Current Situation/Critical Analysis</b>	<b>Aims</b>
<p>Total P.E. grant allocation for 2020/21: £18.460</p> <p>Covid has had a big impact on the provision which we have been able to offer for P.E. in terms of clubs and competition. As always, we have remained committed to using the school sports premium where it would be most beneficial. However, due to the impact of Covid 19 once again some of the spending which had been forecast for this year has been unfortunately delayed/ put on hold. We have used the money to renew our commitment to the School Sports Network. We are also going to use a large portion of the money which was carried over from last year to carry out building works to improve our outdoor areas in KS2 and Key stage 1. We have been unable to have expert coaches, however some of the money has also been used to purchase new equipment.</p>	<ol style="list-style-type: none"> <li>1.As soon as restrictions allow we aim to resume clubs and extra-curricular provision for the children.</li> <li>2. We still want to increase participation rates in a range of physical activities.</li> <li>3. Continue to provide children with an understanding of inclusive sports.</li> <li>3.Invest in new exciting extra- curricular activities for the children, with their input as to what they would be interested in.</li> <li>4. Continue partnership with other schools through Lancaster schools' network and the Lincs and Heysham SSN, when restrictions allow we aim to re-introduce the provision of competitive sports for children in a range of activities.</li> <li>5. Sustain links with wider curriculum, particularly social, spiritual, moral and cultural skills.</li> <li>6. Use money to further develop the school site.</li> <li>7. Continue Whole school focus on improving fundamental movement skills in in KS1.</li> </ol>

Actions (including staff training needs)	Key Personnel /Role	Funding Allocated	Time Scale	Success Criteria/Intended Outcomes	Progress
<b>Increasing pupil participation in both curricular and extra-curricular activities</b>					
Healthy School committee will play a role in helping to decide the clubs they would like to see being made available for the next academic year.	KL/CW	£2100 (N/A due to school closures)	Autumn 2020	Representatives produce a list of sporting activities for KL and CW to discuss- local coaches will be employed to provide extra-curricular sporting opportunities. Children will be provided with a range of alternative sporting events.	The healthy school committee was not appointed this year due to working in bubbles and the Spring Term lockdown.  Restrictions allowing, we will re-appoint in the Autumn Term.
Continue with KS1 cycle skills.	KL/CW	£400 (Not yet spent)	Summer 2021	Number of children taking part in bike to school week.	Due to Covid 19 this has been postponed once again until the next academic year.
Continue to provide the children with incentives to join clubs.	Coordinated by KL	£100 (Not yet spent)	2021	More children joining clubs by the end of the year having a positive effect on attitudes towards children's health and well- being.	Due to Covid 19 we have been unable to provide any clubs or extra-curricular activities, we will resume next year when restrictions allow.
Lancaster and Heysham school sports network,	Coordinated by KL	£1800  £1000 (transport to competitions)  (Transport money still in the pot due to competitions being cancelled this year)	2020-2021	To continue to ensure strong partnership with other schools and local partners providing additional sporting competitions and fixtures. Helping to ensure strong sustainable effective links with the Olympic legacy. To provide training for staff e.g. in developing the new curriculum enhancing quality of teaching and learning	We have continued to buy into the Sports Network Despite the fact that there have been no competitions for the children, the network has provided us with a range of opportunities for staff training and been supporting us with resources and advice throughout the pandemic. We will continue to be [art of the affiliation next year, when hopefully competition will resume.

Lancaster schools affiliation package with Chance to Shine (Kwik Cricket)	Coordinated by KL	£650 (Not used due to restrictions)	2020-21	To continue to provide expert coaching for children with a view to increase pupil participation in competitions.	We have not been part of the Chance to Shine program this year due to Covid 19, hopefully tthis partnership will resume in 2021.
Young leaders award	Coordinated by KL	Free to SSN Schools	Autumn 2020	Once again pupils from Year 5 will undertake a young leaders award which will lead to them organising and running activities for the key stage 1 pupils at lunchtimes. This will have a positive impact on whole school improvement, including behaviour.	The Y5 children were unable to undertake their young leaders award due to restrictions and being part of a bubble. We will resume Young leaders as soon as we are able to do so.
<b>Inclusive PE Curriculum...</b>					
Continue to promote inclusive sports by offering clubs which develop childrens' awareness.	KL, CW	Included in clubs above	2020-21	Children will maintain awareness of inclusive sports/ games.	Restrictions have meant once again that these clubs could not happen; however, we are committed to resuming this provision next year.
<b>Sustainability.....</b>					
Following on from the successful development of our outside area including the running track and trim trail, we are going to continue developing our wonderful outside space. This year due to the fact that there is money left over from the previous academic year we have a larger budget to help make improvements to both the KS2 and KS1 playgrounds.  We will also be purchasing new equipment to help keep lessons at a high standard.	CW + ALL STAFF	£18000 +  Estimated £2000 for new Equipment	2020-21	To enhance the children's experience and further improve general fitness levels. Also to leave a lasting legacy to the school from the budget.	Due to Covid we have had a greater budget than normal and as a result it has been possible to allocate a larger sum of money for making improvements to the school grounds. CW has been planning and working with developers to make plans for both the KS1 and KS2 playgrounds. This includes increasing the amount of space on the KS2 playground, a new climbing wall and a permanent concrete table tennis table. For KS1 they will be getting a new play boat, which will provide a range of different opportunities for them. Other improvements are also in the plans as well.  We have also purchased a range of equipment for the general provision of P.E. in curriculum time and for outdoor adventures in the EYFS.
Purchase the Lancashire planning app which will help staff with planning. It is also an excellent tool for assessment.	KL	TBC		To enhance provision of P.E. and assessment.	The app has been purchased and staff have been using it to help inform their planning. We will be re-purchasing the app next year.
We are going to invest some of the money into	CW, KL	Estimated £3500	2020	We will be able to attend a wide variety of events with no transfer costs to school or parents.	Due to Covid 19 this has once again been postponed until the next academic year.

<p>purchasing a mini bus which will help us to transfer children to and from sporting events/ competitions without incurring a cost each time we attend something.</p>		<p>Not happened due to covid school closures.</p>			
<p>Due to the uncertainty of Covid, Orienteering will be a focus for the next academic year as it is a non-contact sport. This sport should also appeal to children who may not necessarily always enjoy competitive games, promoting fitness to all children, which will be important following lockdown. We will invest in a new scheme of work for the children and staff will be given training from an outside expert.</p>	<p>KL and other Teaching staff.</p>	<p>£1295</p>	<p>2020</p>	<p>To enhance children's experience in both the subject And once restrictions allow extra-curricular activities. To improve skills across the Key Stage and help more children access sporting activities.</p>	<p>We have purchased a new scheme and had the school re-mapped. The scheme has come with lots of new resources and all members of staff took part in a training course in the Autumn Term.</p>
<p>Report ideas to parents-keeping them informed throughout the year via school website/ newsletter.</p>	<p>KL/CW/LF</p>		<p>2020-21</p>	<p>Parents will feel that they have been well informed throughout the year and support school aims.</p>	<p>Parents have been kept up to date during the year via the website, however, due to restrictions there has been no extra-curricular provision.</p>
<p>Review the impact that the funding has had for the academic year 2020-2021</p>	<p>KL/CW</p>		<p>2020-21</p>	<p>With restrictions and guidelines allowing spending will have had a positive impact on each of the following areas:</p> <ol style="list-style-type: none"> <li>1. participation rates,</li> <li>2. competitive sports,</li> <li>3. inclusion,</li> <li>4. links with other areas of the curriculum,</li> <li>5. partnerships with local schools</li> </ol>	<p>Covid has had a negative impact on the provision of sport in school due to bubbles and restrictions. However, all children have been having their regular P.E. sessions and staff have been working hard to provide this within guidelines. The money has been used to make improvements to grounds and purchase equipment which will have a positive impact on the children moving forward. Once restrictions are lifted we will resume competitive sports and links with other schools.</p>
