

St. Wilfrid's Church of England Primary School

Code of Conduct 2023.24

Guidance document for staff

Our Christian Vision:

Our distinctive Christian vision is to follow Jesus' teaching, enabling all members of the school family to live and love fully. We aim for everything we do to be clearly reflected in our mission statement: **Love God, Love each other, Love learning.**

Let all that you do be done in love (1 Cor 16:14)

The school is required to set out a Code of Conduct for all employees.

- The Code of Conduct outlines the expected conduct of staff, volunteers and governors at all times.
- All communication and interaction between members of staff, children, parents, carers, governors and visitors must reflect our Code of Conduct.
- Staff are expected to be conscientious and loyal to the aims and objectives of St Wilfrid's CE Primary School
- In addition, staff are required to develop and maintain the professional character of the school. All staff employed by St Wilfrid's CE Primary School are to follow the Code of Conduct. Staff should be aware that a failure to comply with the following Code of Conduct could result in disciplinary action including dismissal.
- Throughout this document the term staff should be taken to include any adult in the school (teachers, teaching assistants, other support staff, governors and volunteers).

The school adopts the Local Authority Code of Conduct. This explanatory guidance document should be read in conjunction with the Code of Conduct, Acceptable Use and Behaviour Agreement and the school Safeguarding Policy.

Both the Code of Conduct and this guidance document form part of the school's Safeguarding Portfolio. They are provided to all new staff as part of their induction and to existing staff at least annually.

GENERAL STATEMENT ABOUT CONDUCT

It is an expectation that all members of staff (and adult volunteers, governors and visitors) model courteous and respectful behaviour to the children through their appearance and all aspects of their conduct. This includes the way in which adults talk to the children as well as to each other. A number of other school policies make reference to expectations and these include the school policies on: Confidentiality; Equal Opportunities and Race Equality. Adults who work with children are in a unique position of trust and influence and must adhere to behaviour that models the highest possible standards. Each employee has an individual responsibility to maintain their reputation and the reputation of the school whether inside or outside working hours.

RAISING A CONCERN

In the same way that even low-level safeguarding concerns are raised, anyone who has any level of concern about the conduct of a member of staff **must** report this to the headteacher, a senior member of staff or use the Whistleblowing Procedure.
