Christian Value for November: Friendship

THIS WEEK:

This week has been filled with various meetings. Our students collaborated with children from other schools during our local Pupil Parliament event. Our parents joined forces during our PTFA meeting on Wednesday. Teachers attended local training sessions, and personally, I have met with other local heads to discuss how we can work together for the betterment of all our pupils.

WORSHIP: Mrs. Trousdale started off the week by highlighting the significance of friendship, using the story of Naomi and Ruth as an example. Later in the week, Rev. Susan reminded us about the power of teamwork through the story of the Walls of Jericho.

ANTI-BULLYING WEEK:

This week, the children have been reflecting on the need to ensure that bullying is not accepted. They have been exploring the definition of bullying and generating ideas to prevent it happening.

FAMILY NEWS:

Many congratulations to Ms Fox and her family, on the safe arrival of their baby. A beautiful baby boy. Born Tuesday night 8.30pm. Mum and baby are doing well. Many congratulations from all your school family.

PTFA:

Thank you to all those who attended our PTFA meeting at school on Wednesday. During the meeting, we took some time to reflect on everything that has happened so far this year. One of the main topics we covered was the planning of the upcoming School Christmas Fair, which will take place on Friday, 1st December. We are excited about this event and believe it will be a fantastic opportunity for our school community to come together. We will be sharing more information with you soon in a separate letter.

PUPIL PARLIAMENT:

On Tuesday, Mrs Murgatroyd and Mr Hartley took four pupils to the local Pupil Parliament, which was attended by many schools in the area. The purpose of the visit was to explore disability awareness. The pupils had the opportunity to learn and gain insights from the event. Now, they will bring their learning back to our school for further development and progress.
