## Christian Value for May: **Forgiveness**

**THIS WEEK:** I have really enjoyed this week, returning to the classroom to help some of our Year 6 pupils with their SATs. They have demonstrated exceptional dedication and effort. Also, it has been wonderful to witness the whole school community coming together to support them in achieving their best. Although we didn't have our usual collective worship this week, each class has participated in class worship time. Regular worship gatherings will resume from Monday onwards.

### **SATS THANK YOU:**

Firstly, thank you to our children for all performing at their best. They have all been a real credit and worked so hard. Secondly, thank you to parents and carers for ensuring they arrive on time each day. All here, all week on time! Now that the hoodies have been given out, the school will have a fresh splash of colour each day!

### **ROAD CROSSING:**

Unfortunately, this week we were without a crossing patrol for one end of the day. I appreciate the extra care you all took to ensure your children remained safe. Unfortunately, both Mr Tudor and Mr Arkwright were absent on the same day. However, I am grateful to Lancashire County Council for providing cover on their second day of absence. Although it is unlikely that both staff members will be absent on the same day, I have implemented a plan to further reduce the risk of a lack of crossing patrol.

### **CLASS TRIPS:**

Between now and the end of the school year, all of our classes will participate in Class Trips. These trips will provide fantastic opportunities to learn outside of school and create wonderfully memorable experiences. The destinations are as follows:

Key Stage One: Skipton Castle

Beech Class: Leighton Hall

Pine Class: Museum of Science and Industry in Manchester

Sycamore and Oak Class: Jodrell Bank

There will be charges for these trips. However, a huge thank you to our PTFA who have made significant contributions to ensure that these trips are as cost-effective as possible. This is one way in which their funds positively impact our children's learning and life experiences.

### **Olympic Day (Salt Ayre Sports Festival)**

On Thursday, 23rd June, a significant number of children will attend the inter-school Sports Festival at Salt Ayre, aimed at promoting participation in sports activities. Children invited will receive direct communication. For the children not attending, the staff has decided that they will engage in learning activities centred around the theme of 'The Olympics.' These activities will include games and various learning tasks, giving children the opportunity to explore new activities within their classes. It is anticipated to be a fantastic day! Whole School Theme Days are always a hit with both pupils and staff.
